Peer Support in the Community Hub

Peer Support in the Community Hub: [COVID-19 Response]

Peer Support in the Community Hub (run by Bromley, Lewisham & Greenwich Mind) is supporting new and existing mental health and wellbeing peer support groups during these challenging times to think creatively about mental health support of peers. We are in the boroughs of Bromley, Lewisham, Greenwich and some surrounding areas in and around South East London.

BLG Peer Support Community Hub will provide:

1:1 coaching
support as you
set up and
develop

Small grants
up to £250

Online events
to meet others
and share
learning

Contact Us

Contact us to find out about how to access funding and training. In response to COVID-19, groups can apply for funding for anything IT related to support innovative mental health peer groups. This could include WiFi/data packages, zoom accounts. Groups that have already applied for funding may apply for this COVID specific funding too.
